++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with occasional drizzle, warmer and sunnier into the weekend.

Today:
A cloudy day, with the occasional spell of patchy light rain. Cloud then begins to break up into the afternoon and allows some sunny spells to develop, especially in the east. A warm day, particularly under any sunshine. Maximum temperature 23 deg C (73 deg F).

Tonight:
Cloud redevelops into the night, with further rain and drizzle in the west of the country but staying dry elsewhere. Some fog moving in towards the coasts. A mild night. Minimum temperature 13 deg C (55 deg F).

Friday:
Continuing to stay cloudy into Friday, with light rain and drizzle throughout the morning. Drier into the afternoon, with some sunny spells beginning to form. Clear spells overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Saturday to Monday:
Dry and warm into the weekend. The odd cloud seen on Saturday, but with sunshine throughout the country on Sunday. Monday then sees cloud, and perhaps some light rain, return.
